FOR IMMEDIATE RELEASE

Sechelt Visitor Information Centre closing December 31

Sechelt, BC - The Sechelt Visitor Information Centre (VIC) has been managed, under contract with the District, by the Sunshine Coast Community Services Society since 2004. They have provided notice that they will end the contract on December 31, 2018.

To provide Council the opportunity to review the options for providing services to visitors as part of the 2019 budget deliberations, the VIC will close on December 31st. The community will be informed when a decision has been made regarding this service.

Mayor Siegers stated, "We have been very happy with the high level of service Sunshine Coast Community Services Society has provided our visitors and residents over the years at our Visitor Centre. We are sad to see them go but Council looks forward to the opportunity to fully review this service to determine our next steps."
