- Potential benefit to the residents of the District of Sechelt
- Evidence of community partnerships or support (financial or in-kind)
- Capacity to deliver the proposed program, project, service or event
- Level of volunteer involvement
- Evidence of financial need
- Evidence of funding from other sources
- Ability to demonstrate or anticipate future outcomes
- Public accessibility

INELIGIBLE EXPENSES:

- × Major capital expenditures
- × Deficit or debt repayment
- × Private or invitation-only events
- × Commercial activities
- × Fundraising projects or programs
- × Prizes or awards
- × Expenses associated with activities and programs that are clearly the responsibility of other governments or government agencies

CONDITIONS OF ACCEPTANCE OF GRANT

- Successful applicants must recognize the District of Sechelt on all promotional materials associated with the project
- Successful applicants must agree to be named as such in the District of Sechelt's Annual Report
- Successful applicants must submit a final report to the District of Sechelt
