LEGAL DESC.	LOT	BLOCK	DIST. LOT	PLAN
CIVIC ADDRESS OF PROJECT				

REASON FOR APPLICATION:

- Holding Tank
- Pump - where a septic system on the same parcel of land has failed, as certified by the Environmental Health Officer, and the lands cannot be connected to a public sewer by means of a gravity connection; or
- Pump - where new building construction is not otherwise permitted on a parcel of land due to lack of compliance with criteria for septic tank and septic field installation.

ACKNOWLEDGMENT

- If Application is for Pumping I have read the Sewage Pumping Bylaw # 307 and agree to comply with all the requirements as outlined in the Bylaw.
- If Application is for Holding Tank, I have read the Residential Holding Tank Bylaw #264 and agree to comply with all the requirements as outlined in the Bylaw.
