

The District of Sechelt responded to the direction from our public health officials to close our facilities in March 2020 and are now responding to permission to reopen our facilities cautiously. The safety of our staff and community are the priority.

Under direction from the BC medical health officer, the BC Centre for Disease Control, Vancouver Coastal Health and WorkSafe BC, the following precautions must be taken:

- No gatherings of more than 50 people
- People must maintain a physical distance of 3 meters and masks worn when that distance cannot be maintained
- Shared surfaces and equipment should be avoided
- Hands should be washed regularly

Sports field users must comply with the District’s COVID-19 Safety Plan

User group representatives are required to read, confirm understanding, and distribute to participants their League COVID-19 Safety Plan. The representative is required to take steps to ensure participants act in accordance with the League COVID-19 Safety Plan. Failure to adhere to the League COVID-19 Safety Plan may result in the user group’s permit to be revoked without refund of any fees and/or any users being banned from access to District facilities.

No person who exhibits any COVID-19 symptoms or who has travelled outside Canada within 14 days is permitted to participate or attend any District facility.

Any person who believes that they may have become ill or their child may have become ill within 14 days of visiting a District facility report this immediately to the District 604-885-1986.
