# YARD WASTE Like A PRO

## What is the Yard Waste Program?

A weekly collection of grass clippings, hedge or tree pruning material, weeds, material from flower beds and veggie gardens.

## What do you do?

Review this guide and learn about what goes in the paper yard waste bags and what doesn't.

Compostable paper yard waste bags can be purchased from local suppliers, bag sizes may vary.

Maximum weight: **20kg or 44lbs** – please do not overload your bag. Maximum three bags per collection day.

All yard waste placed at the curb must fit in a paper yard waste bag.

Place yard waste bags beside the food waste bin by **8am on collection day.**

**Don't park a vehicle in front of your bags.**

## Too much recycling?

You can put out up to three compostable paper yard waste bags at each regular collection date. Visit our website for more information: [sechelt.ca/waste](http://sechelt.ca/waste).

## What's In ✓

- Material produced by a yard or garden
- Hedge and tree pruning material (up to 75mm in diameter and 1m long, must fit in the bag)
- Grass clippings and weeds
- Material from flower beds and vegetable gardens

## What's Out ✗

- ✗ Dimensional lumber and offcuts
- ✗ Soil
- ✗ Rocks or gravel
- ✗ Any manufactured or processed product
- ✗ Noxious weeds, as defined by the Weed Control Act, RSBC 1996, c.487.

## Don't miss a pick-up!
