**SECHELT**

## Mission House

### Alarm, Keys and WIFI Information

---

#### Alarm

- A 4 digit alarm code will be assigned to renters to access the facility.
- **To enter the building** - on the key pad of the door, punch in your 4 digit number, this will unlock the door and turn the alarm off.
- **To exit the building** - on the alarm panel next to the entry door, punch in your 4 digit number this will turn on the alarm, please exit the building you have 90 seconds, then lock the door by pushing the lock symbol on the key pad.
- Renters are responsible in securing the building when leaving.

#### Keys

- There is a key on the notice board which will unlock shutters.
- When unlocking padlocks please relock onto catch of the shutter
- These are not normal conventional padlocks.
- To lock or unlock you will need to leave the key inserted in the padlock.
