

# Vancouver Coastal Health - Open Board Forum

## *A telephone town hall conversation*

### Join us for a conversation about health care on the South Sunshine Coast

The Vancouver Coastal Health (VCH) Board of Directors invites you to join our upcoming Open Board Forum focused on health-care topics relevant to the South Sunshine Coast, including Sechelt, Gibsons, and the Sunshine Coast Regional District.

During this session, which will be conducted as a telephone conference call, the VCH Board of Directors and senior leaders will provide updates on health-care services and programs, including Sechelt Hospital, public health, long-term care, home care and home support, mental health and substance use supports, and primary care.

Participants will be able to ask questions during several Q&A periods. All South Sunshine Coast community members are invited and welcome to join!

Please visit [vch.ca/boardforum](https://vch.ca/boardforum) to submit questions ahead of time and register to receive a phone call connecting you to the forum at 6 p.m. on March 13, 2024.
